As a business owner in Charles County, I would strongly encourage all of the county commissioners to take in consideration the negative impact that a mandate with fines will have on our community businesses. We have already seen residents traveling into St Mary's county and King George to go to restaurants and shop. Additionally, with the increase in crime that we have been seeing in the county, the Charles County Sheriffs Office has many more important things to worry about than who is wearing a mask verse who is not. Please do what is right for our residents. Do not require face coverings in Charles County.
