Just when the whole Covid epidemic is winding down, Charles County wants to up the anti on wearing a mask, I'm not sure why. I'm in my 70's and resist wearing a mask but that's just me. Most important I don't believe in Government stepping on my toes, in this case posting a Mask Mandate. I am totally against this emerging panic when panic is not what is needed. Common Sense would be my choice, not bending to the woke view. And my last word would be, I'm a voter and I DO vote. Next election I'll be researching just who wanted to step on my rights as a citizen of the United States. Thank you for reading this comment.
