Masks do not work...esp paper and cloth masks...as the CDC is even now admitting this. I am a Korean War Veteran who fought for my country to have FREEDOM as spelled out in the Constitution. I am against government issued mandates that seek to limit and erode my freedoms as an American citizen. I am especially angered by the tens of thousands of illegals streaming across our borders and are being dispersed throughout every state in our nation. They are not being tested for Covid 19 while the American citizens of our county continue to be divided and bullied by our own elected commissioners...it is such a travesty. Please vote against these unconstitutional mandates and return power and the freedom of choice to the citizens that voted you into office in the first place.
