I am opposed to this mask mandate. It is an overstep of your authority, and the burden you would place on small businesses with these fines is an outrage. Small businesses in this county had to jump through hoops to survive these last few years and the commissioners certainly aren't making it any easier for us. A vast majority of people are already masking up, so to force people through fines makes no sense, especially if you have been following the data on cloth masks. Everyone in this county has had the opportunity to be vaccinated, so now it is time to let people live their lives and make their own decisions for what is best for them and their family.
