I completely oppose reinstating the mask mandate in Charles county. Two years in to this virus and it should be a personal choice to wear a mask or not. No one should be mandated To do anything to their person that they do not wish to do/feel comfortable doing. Many other counties and states have gone without a mandate and their numbers are not any worse than ours. If a person is concerned with going out in public then by all means they can wear a mask but the entire population should not be forced to do so.
