I am against the mask mandate- I believe Covid is real but enough is enough we are going on three years.. what is the end result here.. I have been vaccinated and boosted and I still got Covid - I am required to wear a mask at work!!! Still got Covid... masks are a choice if you want to wear one then by all means do it for you.. I continue to drive to Virginia and St.Mary's county to shop and I have lived here all my life.. how sad is that.. we elected you and it's time for you to do the right thing.. start doing your job and address the far greater needs of this county rather than impose your power trip agenda of masks.. stop dividing our county by race and your biased political agenda.. just stop.
