Mask Mandates have already been proven ineffective. ANYONE can get COVID. Vaccinated or Not Wearing a mask or NOT. We are Americans and can decide what is best for our own bodies. I personally have had breathing issues due to the wearing of the mask. My Carbon dioxide levels go off the charts when forced to wear the mask. They are NOT safe to wear constantly. We are scaring young children; suicide rates are thru the roof. It is time to get back to living life. If you have a serious medical concern, you have the choice to stay home.
