I am against this mask mandate AND the overreach by government! Masks have been proven ineffective...and even the CDC admits this. It is high time to SUPPORT the small businesses in Charles County instead of driving business OUT of the county and, in essence, sealing the fate of these business. It is high time to begin to educate people on the benefits of a healthy lifestyle, exercising, eating healthy, and offer therapeutics. We were not meant to live sequestered in our homes but with our families and neighbors...in a community, loving and helping each other. We need this for all the mental health issues that continue to surface. Stop dividing and start UNITING this county. It's time to give power and responsibility back to the individuals that elected you to lead in a responsible manner and not lord over us. Voting is a privilege that has consequences.
