Do not reinstate the mask mandate. It doesn't work. If people want to wear a mask, they can freely on their own. Forcing others to wear a mask for no good reason is an abuse of power and the definition of totalitarianism and its tyranny. The mandate doesn't work according to many doctors and the data. It will only continue to cause harm to the economy and community. No mandate, not now, not ever again. It is unconstitutional and the SCOTUS ruled the same just last week.
