I am against this antiquated way of responding to COVID. The masks have been proven to be ineffective and it further hurts the community of Charles County as several citizens have decided to patronize businesses in other counties who respect people to make the best choices for their own health. If you've read the public comments you will see the majority of citizens are opposed to a mask mandate. With clear conscience, vote against the mask mandate in Charles County. Stand by the people who you are to represent.
