County commissioners, please be advised myself and my family are entirely against any local government mandate to wear masks anywhere in Charles County. You guys have no right to impose unscientific totalitarian measures on the citizens of Charles county. I contributed hundreds of dollars and intend to contribute hundreds if not thousands more to sue you for violating my rights, and will contribute thousands to remove everyone of you from office. No mask mandates. No unlawful government policies. No unelected health Czars that live in Bowie -PG county to tell us how we are supposed to live. You are all wrong and need to step back from your government overstep and remember your place, each and every one of you.
