Good afternoon / evening County Commissioners, I was scheduled to speak via call in but due to schedule change I'm unable. I'm a County life long resident of 45 years and I'm 100% against any mask mandate. With 28+ years experience in Vol and Career Fire Dept, tell me County Commissioners If you vote for a mask mandate are you going to mandate that the proper / correct mask is worn? Example N95 or equivalent? Will you County Commissioners mandate to wear mask properly "clean shaven with complete seal around nose and mouth"? There is no need for a mandate for any other type of mask. It has already been said by CDC that cloth mask serves no protection. A mask is a safety blanket to make one feel safe, when in all reality it does nothing when wearing the incorrect mask along with wearing incorrectly. All in all these mandates are unconstitutional and with the latest ruling out of the US Supreme Court should open ones eyes to over reach of power. Thank you for your time and hopefully you put political agenda aside for vote for ones constitutional rights.
