I support my family in no more mask mandates and also as a student of CCPS you have ruined my junior and more importantly my senior year in high school. I am a proud member of the swim team, student government, model United Nations and other prominent student organizations. You have destroyed everything we have to live for by being worse than the problem. You have become the problem and we asked you to stop and step back and remember who you work for and remember that you represent the community. You are supposed to work for us!!! And not tell us how to live
