I am writing to OPPOSE this useless mask mandate. This has caused such mental strain in both of my children and it is ABSOLUTELY disgusting they you, the commissioners could give a shit less. You have mandated the masks in the past , yet the virus still spread like wild fire. 99% of the time if i do end up needing to shop in the county I, everyone except for my self is wearing tbe mask. Obviously this doesn't work. Never has never will. It's more of a control game to you now. Stomping your feet to get your way. Every single one of you should be ashamed of yourselves. You have caused great mental damage to my children , one whom can't breathe in the mask. Get off your power trip for the sake out our damn kids. - My business and all my extended family 99.9% of the time take out business out of county and or state. I refuse to give business to Charles county unless there is no other option. Give your self a pay in the back for the damage you have done to our small businesses. Sickening!
