Do not make a countywide indoor face mask mandate. The metrics don't support masks. Everywhere around us, and most places in all of the United States, manage to live without a mask mandate. Since the mask mandate began, I have not shopped in Charles county unless the store is mask optional. I am not the only person who does this. I know many people who shop in St. Mary's or Calvert co, or King George, Va. This should be a matter of personal choice.
