My business suffered due to the last mask mandates. Customers are going to other counties to shop and spend their money. Another mask mandate would cripple my business. I just don't understand why the mask mandate is so important to some. If you want to wear a mask then please do. But to tell us that we must of else is just crazy. We are all just trying to hold on during these crazy times. Why would you want to make it harder? Please do not impose a mask mandate in Charles County.
