2 weeks to slow the spread has turned into 2 years! And there still seems to be no end in sight to the restrictions and limitations on people just trying to live their lives and make their own choices. If you want to wear a mask, go for it, but it should not be a requirement or mandate forced on the people just to go about our normal lives. If we start down this road, where does it end? "For God has not given us a spirit of fear; but of power, and of love, and of a sound mind". Stop spreading the fear, and allow the people to decide for themselves. If you dont listen to the people you claim to serve, we the people we certainly remember next time we're asked to choose our county commissioners.
