To the Charles County Commissioners: I believe we as adults should have the right to Choose. "We the people" must be able to exercise our FREEDOM of Choice whether to wear a mask or not. We have lived through this pandemic for going on 3 years; for I am vaccinated because I am high risk, (Senior Citizen & Disabled Veteran), but I trust our citizens, they are smart enough to choose whether to get vaccinated or to wear a mask or not. I am against the County or State mandating mask wearing. For, I see people outside walking by themselves wearing a mask, that does not make sense, but it's their choice as it should be our choice. I VOTE NOT TO HAVE ANY MASK MANDATES for this County. As a precaution, I wear a mask out in the public, stores, restaurants, etc., but that's my choice and, as a resident for over 47 years and, a senior citizen, I am aware of the risk for all, as should be for everyone else in the County. Stop telling Adults what to do, we are not children, therefore we should have the right to Choose to Wear a MASK or NOT. Please do not Mandate Wearing a MASK. You the County Commissioners need to allow the citizens of this County to choose, for we are adults and should have the Freedom to choose. For example, look at Florida, South Dakota, Texas, Georgia, Arizona, Alaska, Idaho, Iowa, etc., their citizens have been given the right to choose and their numbers are much lower than ours. Treat us like adults not children and we will not forget come elections time. You need to listen to the People of this County; Do Not

implement a MASK MANDATE! I am a registered voter and, I have never missed voting in any election since I was 21 years old, even in Vietnam, I mailed in my vote. Thank you for your time and consideration of my opinion. Maurice DiPoli, CSA County Resident 47 years + Senior Citizen & 100% Disabled Vietnam Veteran
