Procedure:

This policy outlines the general provisions for EMS billing.

1.0 Definitions

- 1.1 Advanced Life Support (ALS) - Transport by ground ambulance and the provision of medically necessary supplies and services including the provision of either level I or II of an ALS assessment or at least one (1) ALS intervention, as defined by the State of Maryland.
- 1.2 Basic Life Support (BLS) - Transport by ground ambulance and the provision of medically necessary supplies and services including the provision of BLS ambulance services, as defined by the State of Maryland. The ambulance must be staffed by an individual who is qualified in accordance with state and local laws as an Emergency Medical Technician -Basic (EMT-B).
- 1.3 Mileage – The number of miles eligible for billing in which the patient is transported in the ambulance to the nearest appropriate facility or point of transfer to emergency air transport.

- 1.4 Mobile Integrated Health Service (MIHS)- A community-based preventative, primary, chronic, preadmission or postadmission health care service or transport provided by an EMS provider to an individual. See Md. Code Ann., Article-Health-General, § 15-114.1

2.0 Scope

- 2.1 This policy applies to charges for:
 - 2.1.1 Pre-hospital EMS services that are rendered by Charles County EMS including ALS, BLS and mileage during transport to an appropriate destination.
 - 2.1.2 MIHS medical services eligible for reimbursement under Md. Code Ann., Article-Health-General, § 15-114.1

3.0 General

- 3.1 Billing processing will comply with the CMS Publication Number 100-04 Medicare Claims Processing Manual, Chapter 15 Ambulance, CMS Publication Number 100-02 Medicare Benefits Manual, Chapter 10 Ambulance Services, and Md. Code Ann., Insurance §15-138.
- 3.2 EMS fees are established annually as part of the regularly scheduled budget process for Proposed Fees and Charges and approved by the BOCC.
- 3.3 EMS will complete a patient care report in accordance with departmental guidelines, EMS standards of care, and State EMS protocol requirements.
- 3.4 A Notice of Privacy Practices containing information about disclosures of Protected Health Information (PHI) per the federal HIPAA Privacy Rule will be mailed to the patient's mailing address at the time that the statement of charges is issued.
- 3.5 The County's third-party billing vendor will issue a statement of charges to the patient, or their guardian, which includes a Lifetime Signature Authorization Form, a request for insurance information, and a Notice of Privacy Practices statement.
- 3.6 Charles County residents who have insurance, Medicare, or Medicaid will not pay any costs for ambulance service. Insurance payments will be accepted as payment in full. There will be no additional co-payment or deductible.

4.0 Fee Waivers

- 4.1 Fees will be waived for any services provided to an employee of Charles County Government or the Charles County Sheriff's Office or a volunteer of any Charles County Board of Fire & Rescue member Departments during the performance of their duties that are covered under their respective worker's compensation policies.

4.2 Fees for Charles County residents who are uninsured or unable to pay, will be waived because residents are deemed to have paid any co-payment or deductible or uninsured portion of the cost of each emergency medical services transport, through taxes paid to the County.

5.0 Exceptions

5.1 Any and all exceptions to this procedure must be approved in advance by the County Administrator.
