I am in favor of having each commissioner represent their own particular districts and voting for Commissioners in based on this. Charles county is such a diverse area and has grown in its needs. The more populated versus unpopulated areas have different requirements. Not all commissioners have the same constituency needs. Voting for your district's own commissioner will help citizens be represented by the commissioner who understands their needs best. Please vote in favor of the measure. (Bill 2022-08)
