Commissioners without question should be voted by District, just like BOE. Dist 2 has had zero representation for over a decade. Coates is MIA and the ONLY way she is STILL in office is from votes from OTHER districts. . I can promise you anyone who LIVES here wants better. And the fact she voted AGAINST this proves my point. I used my dist specifically because it is a perfect example why we need this change. When my district has to ask Commissioner Bowling questions about things going on in dist 2, when we supposedly have a commissioner that's a problem. And I think it would also help even out the disproportionate amount of money and resources that continually go to the same areas time and again. 100% need commissioners that LIVE in and REPRESENT their dist. This should have been approved the first time it was brought to the table!
