As the actual wording is not included on this format, I would specify that I am in favor of Countu Commissioners being chosen by the voters in their I own district. Every district is different and has their own priorities, interests and goals. And where I believe every elected commissioner should have the entire County's best interest, electing ones own Commissioner would ensure all voices in the County are heard. The Board of Ed went this direction and I believe there will be more across the county representation as a result.
