Good Evening Board Of Commissioners, I am for voting by district only for commissioner. It has been overdue to truly let the people decide the direction of their own districts and living experiences. Commissioners have relied on the votes of Waldorf to decide the county positions, while districts such as 2 have much been ignored in town hall settings and overall growth. Each district is unique in its own right. A commissioner dedicated to its citizens and held responsible by its citizen's vote will produce a better product for everyone involved.
