BILL 2022-14 setting gun free zone out to 100 yards of a building owned or operated by Charles County Government or the Board of Charles County Commissioners is Systemically a violation creating ordinance. Law abiding citizens living or traveling through these 100 yard bubbles around County buildings would be entrapped just for driving through these zones. This bill only impacts law abiding citizens and their ability to exercise their second amendment right and their Maryland Wear and Carry Permit. This committee must weight the impact and implications of enacting such a Bill, it will only lead to its litigation on its constitutionally. Your oath of office requires you give effective and meaningful protection to the fundamental provisions of the US constitution and its Bill of Rights. It requires you to apply this protection equally and consistently for the benefit of all Americans and the citizens of our county. I'm calling on this board to demonstrate their commitment to protecting our Constitution, our bill of rights by removing this arbitrary overreach infringing on your fellow citizens constitutional rights.
