The US Supreme Court just affirmed that we as citizens have the right to protect ourselves in public. Every bit of everything to do with the county is public. Stop trying to take rights away from law abiding citizens. Stop over reaching. Support the citizens and stop supporting criminals. Stop all this craziness that is coming from our governments. Be the voice of reason and help protect everyone. With what has come to light here in the preceding weeks of this hearing, I'm not convinced most of our commissioners should be taking part in any hearings to decide anything for this community.
