This is unconstitutional and will put so many legal Gun Owners at risk as you have homes that are within the 100 yards of a Government and/or County owned/operated property, I am one that lives within 100 yards from a school. So if I get caught carrying a firearm from my house to my vehicle I will be breaking the law is how I am reading your proposed Law. People with carry permits or going out to hunt driving past a Government and/or County owned/operated property will be breaking the Law if they get pulled over in front of any of these properties carrying a legal firearm. Exempting County Commissioners from this unnecessary infringement is just a blatant power grab and is racist. Rules for me, not for thee, as we've come to expect from these "leaders" for years. If this applies to County Residents then it should apply to the Commissioners as you are not LEO and if us residents can't be allowed to protect ourselves then Commissioners shouldn't be either.
