I understand the desire to restrict dangerous weapons from county buildings. I do not understand the 100 yard boundary. How are people to know where these boundaries are located? I also do not understand why holders of Maryland Wear and Carry Permits are restricted. We have been trained in firearm safety and have been subjected to a background investigation. We are not the bad guys (or gals). This bill will not make the citizens of Charles County safer and will put law-abiding citizens in peril of prosecution if they inadvertently enter a restricted area while legally armed for their own protection. Please reconsider the 100 yard limit and the inclusion of W&C permit holders. Thank you.
