To the Charles County Gestapo: Re: Firearms CEASE & DESIST WITH YOUR EVIL! There is no wording in our Constitution that prevents legal gun carrying in America! Your unconstitutional, democrat, anti-American agenda will not be tolerated by either party, so you had better stop trying to make laws that infringe on the CONSTITUTIONAL gun rights of us law abiding Americans! There will be one major lawsuit after another and we won't rest until you're all recalled! You are no better than any of us here and yet you seem to have this God complex. Satan owns you now and, one day, you'll face God and He'll hand you what you deserve. YOU are the ones that should be disarmed, charged, and then fined for breaking your oath! Obviously, our Constitution means nothing to you but it's not yours to change! Your gun control power grab was removed forever by the Supreme Court last year! And who do you think you are that you can be armed but not us? You are in NO DANGER from us law abiding Americans who carry guns but now you think you're going to try to take our rights & freedoms away? NOT ONE law abiding CCW permit holder has committed any violent gun crimes here! You have no idea what kind of charges & lawsuits you're going to face. Our 2nd Amendment gun rights are there for our protection against tyrants

like you and they're given by God not you! Remember how you lost the battle over mandatory masking? "We The People" won't quit! And do not broad brush all of us in with the local thugs just because you can't stop crime in Charles County! Thugs don't obey laws so your laws will not deter ANY them from their daily crimes. You are evil, control freaks and your life's goal is to push your liberal agenda mainly on us law abiding citizens, but you will lose that fight! So, if you try to make ANY rules against carrying a gun, you had better exclude us legal holders of CCW permits! Phil DiPrima Waldorf, Md.
