1) this is against our constitutional right to bear arms 2) why are commissioners exempt? 3) citizens of maryland are required to take training, pass a test and pass an extensive back ground check to carry a firearm. 4) repeat felons are released on their own recognizance every day who are caught carrying loaded firearms in this county. The judicial system is not going to protect us, and now you're taking our right to protect ourselves knowing those who don't care about abiding by the law are released back in the community.
