This is not productive for several reasons. Why do we punish law abiding citizens for what law breakers/criminals do. This doesn't protect anyone, it makes it easier for criminals and penalizes good citizens. I wish our representatives were more educated on the topic and they wouldn't even entertain this. Laws are about retribution. They don't change the human intent for evil. Lawfully arming yourself allows for defense. Creating easy target areas doesn't help anyone.
