I am AGAINST topic. Commisioner Bill #2022-51 is SIMILAR to MD Criminal Code 4-101, with the exception of the "100 yd radius of a gov't building" inclusion in Bill 2022-51. Which is an attempt to override a State Law and if passed is an abuse of your power as County Commissioners and will most certainly result in serious legal ramifications, not to mention much unnecessary negative publicity this county doesn't need. This bill, while maybe written with good intentions isn't the answer to the rising crime rate in CC and is a waste of taxpayers time and money. Should you truly want to make good faith attempts in reducing the rising crime rate in CC, I suggest you start by holding our justice system and our judges accountable. Also, Implement a serious bond policy and remove the revolving door the same people walk in and out of at our county jail. Bill #2022-51 won't do anything to deter criminals, it only punishes law abiding citizens.
