I am far from a avid gun collector and only have a Shot gun in my home locked on my safe. Have not even shot it yet. Just 2 days ago a group of individuals were arrest less them a football field away from my house with drugs and guns. Our Constitution gives us the right to bare arms. Now our local government want to take away part of that right but criminals will still conceal carry and possibly kill or injure innocent Americans. Our local government is not helping its constituents it's helping criminals. I am 100% against this unconstitutional proposal.
