I am not in support Charles County banning law abiding citizens right to carry firearms in and on county property!
Please note: 1) this is against our constitutional right to bear arms 2) why would you exempt yourselves?? Rules for thee but not for me?? 3) citizens of Maryland are required to take training, pass a test and pass an extensive background check to carry a firearm. 4) Almost daily I see a report about repeat felons who are released on their own recognizance when caught carrying loaded firearms in this county!! The judicial system is not protecting us, and now you are proposing to take our right to protect ourselves.
