If this is passed, no one who has a carry permit will be allowed to exercise their right anywhere in the county based on the description of this proposal. In fact, anyone with a carry permit would be hard pressed to drive down a main road through La Plata to get to work or get through town without passing within a football field's distance of a county owned property or building. Private business owners will not be allowed to carry within their own businesses/buildings. Homeowners and renters will not be allowed to carry within their own residences because so many live within 100 yards of a county-owned property. This is a constitutional violation and cannot be allowed.
