I am AGAINST the bill proposed by the Charles County Commissioners wanting to ban firearms from all county property yet exempting themselves. I am against ALL proposed bills that limit my 2nd Amendment right. If you have any questions to if a proposed gun bill is constitutional or not, please reference the Supreme Court's "Heller", "McDonald", & most recently "Bruen" rulings. Since 1973 Marylanders have had the ability to conceal carry if they were able to prove "a good and substantial reason". Yet why since July 5th, 2022, when Gov. Hogan directed the Maryland State Police to suspend the "good and substantial reason" because it was unconstitutional, do you NOW feel the need to further continue restricting law abiding concealed carrying citizens? Do you realize the training requirements as well as background checks that are required to obtain a Maryland CCW? Do you think criminals will go through this process to carry a gun? No! Do you think criminals will follow your new proposed ban on guns from all county property? No! So, who are you really trying to ban from carrying on county property...law abiding carrying citizens. Unconstitutional! Not only is this proposed bill unconstitutional, but it is also unethical that you would propose a bill yet exempt yourselves. Never have I seen such corruptions than I have within the Charles County

Commissioners. You should be ashamed of the smear you are leaving on Charles County.
