I disagree with this bill due to it's infringement on lawful gun owners rights yet allows the commissioners to retain such rights for themselves. I am a lawful gun owner with the rights to carry given to me by the State of Maryland and the Federal Government. The criminals don't abide by laws and legislative agendas. The criminals are already out there unlawfully carrying guns and are getting away with it. They may get caught with ghost guns and other illegal weapons and go to jail only to be released back into the community. This bill will not stop the criminals, only infringe on the law abiding citizens rights.
