I am against this new handgun law. As a prior law enforcement officer in both Prince George's County and Charles County Sheriff's Office( 22 yrs and 20 yrs). I have been involved with numerous high profile arrests. My chances of needing my weapon for personal protection are great. Also I participate in the LEOSA program for retired law enforcement officers. All officers involved have a written examination and a proficiency/ qualification with the firearm. I would think in todays environment this is the type of person you would want to carry their firearm anywhere at anytime. You could be the one who could benifit from one of these officers carrying his firearm.
