First of all, this bill goes against the second amendment and limits the rights of law-abiding citizens. Secondly, "WITHIN 100 YARDS OF A BUILDING OWNED OR OPERATED BY CHARLES COUNTY GOVERNMENT OR THE BOARD OF CHARLES COUNTY COMMISSIONERS," is entrapment and would make anyone who drives through the town of La Plata (One Charles Street, Washington Ave, or Route 301) who is legally carrying to be in violation of the law because there are numerous Charles County Government owned and operated buildings within 100 yards of the road. So, if a law-abiding citizen is legally carrying and driving through the town of La Plata, and someone else runs a red light and hits them and through the process, and it is found out that the legally carrying person is actually carrying, then he gets arrested even though he was the victim in the accident and never even pulled his gun. Just because he is within 100 yards of a County owned building. This law does nothing to help prevent crime because the criminals will not care. It only suppresses law abiding citizens and goes against the rights we have under the second amendment. Use some commonsense people!!
