I am a law-abiding citizen of this County and a licensed MD carry permit holder. As such, I always have my weapon on me, but I never carry in a Federal, State or County facility. If I have to visit one of those facilities, I always remove my firearm and lock it up in my vehicle. Passing this absurd law would make me and other law-abiding citizens of this County, criminals. I ask that you please reconsider passing the law, or at the very least limit it to a ban on the possession of a firearm in a County building. Thank you for your consideration.
