I do not agree with the new proposed law. I believe this proposed county legislation discriminates against legal citizen concealed carry permit holders. All of whom have been vetted and approved to carry by the Maryland State Police, and passed all the required background checks. At the same time, the new proposed law excludes county board members from having to comply. I believe you are putting innocent people at risk of violent crime on county owned property. It would also make it impossible for citizens to conceal carry whilst driving passed county owned property without being in violation of the law. Please do not support this discriminatory and dangerous new proposed law. Thank you
