Even more egregious than your attempting to restrict the rights of citizens, is your attempt to exempt this restriction for yourselves. You do not hold some kind of superior citizenship over any other citizen of this county. Will your next attempt to be to trim the right to free speech on all others except yourselves? How about restricting religious rights on others but not yourselves? None of you have any more or less rights than the rest of us. As you all allowed this proposal to even come up for consideration, none of you deserve the seats you hold as you do not represent our citizens or the constitution.
