I am against any measures restricting the rights of LEGAL gun ownership in this county. Most all of the crimes committed with guns in our county are because of ILLEGAL gun use and possession. I actually would prefer OPEN carry by legal citizens as they are trained and have been proven to deter criminals who wish to do harm on a population. Also, the audacity of the bill to EXEMPT current county commissioner is yet another example of legislating this bull idea of "rules for thee and not for me" attitude. I am absolutely against any measure such as this.
