FIRST! This hearing should be postponed to allow the citizens time to research this new bill and how it affects us! Now that you've amended your original bill, I am here to STILL say I and AGAINST THIS TOPIC! The lives of the Charles County Commissioners are NOT more important than my life or my children's lives! If I can't carry to protect myself then the commissioners also should not be allowed to carry! It doesn't matter if this only pertains to the CC government owned buildings or even only on a one inch square of land, if the commissioners are still allowed to carry, then so should the law abiding permit holding citizens of Charles county.
