I do not agree with a law being passed that infringes on law abiding citizens rights but exempts the same people trying to pass the law. If you think it's such a bad idea to have guns within 100 yards of a government building, then it should apply to you as well. This bill is going to make it essentially impossible to drive through the main roads of Charles County with a firearm. The firearm I legally possess and am allowed to carry. But it will NOT stop all of the criminals from carrying wherever they want. This bill is ridiculous.
