1 - restricting lawful carry within 100ft of all government buildings/properties is unlawful. 2- if we the people can't legally carry our guns into/on government property, the same law should be held for all commissioners. Commissioners are NOT above the law. Some can't even follow current laws. Do you think less of your constituents, having the need to take away their rights, while exempting yourself? How does this make our county any safer? It doesn't. Criminals don't care about laws. They will carry wherever they want. Law abiding wear and carry citizens are an added security to this county. The 2nd amendment is not a suggestion; it is our lawful right.
