I'm unaware of any known public safety issue in Charles County regarding individuals with a Maryland issued Wear & Carry Permit. What official Charles County Law Enforcement records for CY2021 & CY2022 exist that show criminal charges and prosecutions in Charles County against Maryland Residents that have been issued a Wear & Carry Permit? Please provide the CY 2021 & CY2022 data surrounding any such unlawful activity in Charles County concerning individuals with Wear & Carry Permits using their weapon in a criminal or unlawful activity. Without an increased level of such unlawful or criminal activity in Charles County there is not a need for the Charles County Commissioners to pass any further restrictions beyond what is currently in the Maryland State law & restrictions. To do so would appear to be some personal beliefs and preference by the county commissioners, possibly in response to the recent US Supreme Court decision and the Maryland Governor's decision to make Maryland a "Shall Issue State". The US Constitution, 2nd Amendment gives US Citizens the right to "Keep and Bear Arms" without being "Infringed". I'll assume each county commissioner has sworn an oath to uphold the US Constitution and I expect no less from each. When I took that oath in the US Military, many times over, during my 26 years of Service to our

Nation it meant everything; even to give my life defending the entire US Constitution!
