CHARLES COUNTY STANDARD DETAIL MANUAL

The purpose of this notice is to provide updates to Charles County standard water details W1.00 through W6.17 to the Standard Detail Manual adopted July 1995.

These revisions will not apply to any construction proposed pursuant to a valid permit issued prior to January 16, 2023. Also, the requirement of this revision will not apply to pending permit applications provided these permit applications are issued permits within sixty (60) days of July 17, 2023, and that some manifest commencement of work is undertaken within six (6) months of the date of the issued permit.

Water Details Prior to January 16, 2023 and After January 16, 2023 can be found on the Charles County Government website (www.charlescountymd.gov/pgm). Links are also provided below.
