This bill remains ill-advised and is unconstitutional. Specifically, the revised Bill continues coverage of "a building owned or operated by Charles County government or the board of Charles County Commissioners" without regard to whether such building housed government employees. The 2nd amendment is clear "Shall Not Be infringed". The biggest issue from this bill is that you the commissioners are exempt? Really, so you can go through the same process, same background checks, fingerprinting, have a legal MD W&C permit just like us and you make laws that your exempt from?! I'm against this topic and it should never have been brought up as it's against the will of the people as shown with the amount of law abiding citizens of MD who have gotten their wear and carry permit since Governor Hogan made MD a shall issue state in 2022.
