I'm against any form of legislation which restricts law abiding licensed citizens in Maryland from carrying weapons lawfully so as to make it difficult if not actually prohibits de facto carry because the county legislature simply does not want its citizens to carry (Montgomery County for instance) and so legislates pretzel logic impossible to meet restrictions so as to abrogate their right to carry. I wish also to draw your attention to retired Law Enforcement Officers who have permitted carry by Federal Statute under the Law Enforcement Officers Safety Act. This act is administered locally by the states. These permits are given to qualified retired LEO's upon qualification by a certified Maryland entity as a rule Law Enforcement Agencies within the state. Your proposed legislation should not restrict by design or accident LEOSA permitted persons. Thank You Andrew Husser Sgt. United States Park Police (Retired) and a LEOSA permit holder.
