January 11, 2023 Bill: 2022-14 This is to inform the Charles County Commissioners and whomever it concerns that I am against the proposed bill banning Legal permitted individuals from carrying concealed firearms on Charles County government property, owned, or operated. The 100-yard perimeter is an overreach, not well thought through. Reference made to County leases/rents, an office space in a building. Do you mean the office in which county business is conducted or the entire building is a no carry zone. The thresh-hold to the office(s) is an acceptable point of penetration, (no gun zone). The fine \$1000.00 and/or 1 year imprisonment is excessive punishment. No consideration is given for first time offenders. A graduated approach to fines and prison time would be a more reasonable approach.
